

Boy Scout Troop 197

Troop Committee Minutes

Oct. 03, 2011

The meeting was held at St. Philip's at 7:30 PM. Attending: Ken Groue, Howard Bruce, Mark Stout, Jim Dinn, Lee McWilliams, John Becker, Dan Semetko, Wooty Sixel, Pat Deeves, and John Curry.

Discussion was held on the upcoming Webelos Woods event this weekend at Camp Brosig. We are, once again, doing the axe yard for the cubs. There will not be any axes, but sledge hammers and wedges to split wood. All scout camps have a burn ban in effect and most all of the SHAC camps have been shut down because of a lack of rain. We shall be recruiting scouts to participate in this activity. There were enough adults showing interest in the event that we should not have any problem with transportation.

Our next campout will be Nov. 4-6 at Martin Dies State park in East Texas.

We discussed plans for Troop 197's 50th anniversary celebration and have tentatively set the date of Monday, January 2, 2012 from 2-5 PM in the Fellowship Hall at St. Philip's. We hope to contact as many former scouts and scouters to be able to attend this function. John Curry will contact the church to see if the Fellowship Hall is available. Please mark down the date.

Our next meeting will be Monday, Nov. 07, 2011.
