

Boy Scout Troop 197

Troop Committee Minutes

June 07, 2010

The meeting was held at St. Philip's at 7:30 PM. Attending: Lee McWilliams, Ken Groue, Gina Biekman, Howard Bruce, John Becker, Wooty Sixel, Jim Sgarlat, Dan Barbour, Dan Semetko, Jeff Larsen, Michael Wallace, Bob Heilman, Mark Stout, Jim Dinn and John Curry.

We had a big discussion about the new National Youth Protection Requirements. To attend a Boy Scout Camp, an adult must be a registered member of the Boy Scouts. To be a registered member requires that the adult pass Youth Protection Training online every two years.

Matthew B's Eagle Project, building six picnic tables for a charity, will be done this Friday, June 11 at 8:00 AM at Dan Semetko's house. He hopes to finish up Sunday afternoon after returning from Bolivar.

Our Bolivar campout will be this Friday June 11 and return Sunday morning.

Our annual planning session will be held at the church next Monday evening June 14, at 7:30 PM. Mr. Groue will invite specific scouts with leadership positions to attend.

Buffalo Trails Scout Camp is requiring that each adult leader have a criminal background check and sex offender check before being allowed to attend summer camp. We filled out all of our forms this evening for that purpose. Mr. Becker will email them to BTSR tomorrow.

We have 18 Scouts and 8 adults (Kevin Stout is going as an adult) going to BTSR. It was decided to rent a small trailer in addition to the Scout trailer to get all 26 of us and our gear to camp. We shall spend the Saturday night in Alpine at First Methodist Church and go to McDonald Observatory Sunday morning prior to checking into camp.

The Sea Base crew leaves July 31, 2010

We discussed the SHAC Jam Oct. 8-10 at Texas Motor Speedway. It will be huge and we plan to attend.

Our next meeting will be Monday, July. 12, 2010.
